

CI335W Inlet

Light changes from Green to Amber

CI335W White Inlet with Status Indicating Light

NuTone's CI335 Series Inlet with status indicating light, provides an unobtrusive styling to blend in with the decor. Built-in low voltage terminals. System turns on automatically when an unswitched hose is inserted or is ready for immediate activation with a switched hose. Break-resistant cover closes and seals when hose is removed.

FEATURES:

- To be used with all Advantage Series Power Units
- Status indicating light uses existing Low Voltage lead wires. No additional wires are needed
- White
